Virtual Lunch

January 27, 2021

11:30 AM – 1:00 PM

**In the chat or just
chime in...**

**What's for
lunch today?**

- 1. Last night's leftovers.**
- 2. Something I can microwave.**
- 3. I'm cooking something with an actual stove or oven.**
- 4. It's being delivered!**
- 5. Random snacks I can eat when my camera is off!**
- 6. Lunch? What's that?**
- 7. None of the above!**

Breakout Room Introductions

Take a few minutes to introduce yourself and your organization.

Discussion Prompt (if time permits)

How are you weathering the storm today?
(The weather, COVID, or otherwise!)

Purpose & Agenda

- Opportunities for collaborative approaches

What is Youth Link?

The City of Sacramento developed a resource hub (www.youthlinksac.org) to collect and promote Sacramento area programs, resources and services to support youth. Resources include:

- ▶ Social Activities & Programs
- ▶ Academic Success
- ▶ College & Career Readiness
- ▶ Early Learning & Childcare
- ▶ Leadership Development, Civic Engagement & Community Service
- ▶ Wellness & Self-care
- ▶ Workforce Readiness

Calling All Sacramento Youth Service Providers

Help keep Youth Link up to date. Please submit your organization and activity/program information to ensure Youth Link Sac users (youth, their families, and adult allies) have access to live, up-to-date content that is easily searchable. Thanks in advance for helping Sacramento build a centralized and coordinated outreach tool to promote our vast network of youth services!

Youth Link will meet two, intersecting objectives with staggered timelines. As the community need for Objective 1 decreases, we will ramp up Objective 2.

Objective 1: Promote Sacramento Virtual Youth Programs and Activities & COVID-19 Resources

Objective 2: Promote Sacramento Youth Organizations and their Services & Youth-centric Resources

To help meet both objectives, youth providers will need to complete two forms:

Activity & Program Submission Form

Submissions through this [form](#) will be promoted on the Youth Link Sacramento website, highlighting active programs and activities that fall under Objective 1. If you have multiple activities/programs you will need to complete this form separately for each.
